Superintendent of Stamps and Stationery.

No. 220. Read the following Proceedings of the Government of India in the Financial Department, dated Simla, 18th August 1875, No. 2674 :—

Read again the following papers :—

Expenditure Proceedings for June 1875, Nos. 8 to 17.

Letter to the Government of Madras, No. 4480, dated 24th July 1874, suggesting a certain arrangement for the charge of the Stationery Office there, which, if adopted, would obviate the necessity for the appointment of a separate Superintendent of Stationery at a large increase of expense.

Letter from the Government of Madras, No. 1455, dated 28th August 1874, reporting the transfer of the Stationery Depôt from the Fort to the office of the Superintendent of Stamps and the grant to him, in addition to his pay of Rupees (1,000) one thousand a-month, of the extra allowance of Rupees (100) one hundred which had been drawn till then by the Commissary of Ordnance for the charge of the Stationery Office.

Letter to the Government of Madras, No. 851, dated 6th February 1875, inquiring " whether it is necessary permanently to raise the pay of the Superintendent of Stamps seeing that the increase from Rupees (1,000) one thousand to Rupees (1,100) one thousand and one hundred a-month being beyond the competence of the local Government to grant will require the sanction of the Secretary of State " and adding " that, in the opinion of the Governor-General in Council, a successor to the office should not receive a higher pay than Rupees (1,000) one thousand, which is enough for the superintendence of both Stamps and Stationery."

Letter from the Government of Madras, No. 344, dated 16th February 1875, stating " that, as the sum of Rupees (1,000) one thousand was some years ago passed as the proper pay for the Superintendent of Stamps, it appears to the Governor in Council that, with the accession of the charge of the Stationery, the small salary of Rupees (100) one hundred, which has so long been allowed to the Superintending Officer of the Stationery Department, should not be refused. But if the Government of India insist on the contrary view the Rupees (100) one hundred can be considered as limited to the present Superintendent of Stamps, who certainly should not have a fresh set of duties thrown on him without remuneration."

Letter to the Government of Madras, No. 124, dated 15th April 1875, sanctioning " the grant to the present Superintendent of Stamps of the allowance of Rupees (100) one hundred a-month in addition to his pay of Rupees (1,000) one thousand a-month for the charge of the Stationery Office on the understanding that on the occurrence of a vacancy the pay of the conjoint office of Superintendent of Stamps and Stationery shall not exceed Rupees (1,000) one thousand a-month."

Read also the following despatch from the Right Honorable the Secretary of State for India, to His Excellency the Right Honorable the Governor-General of India in Council, dated India Office, London, 10th June 1875, No. 300 (Financial) :—

I have considered in Council your Financial letter, dated the 15th April 1875, No. 126, reporting that, subject to my approval, you have sanctioned the grant to the present Superintendent of Stamps, Madras, in addition to his pay of Rupees 1,000

a-month, of the allowance of Rupees 100 a-month hitherto drawn by the Commissary of Ordnance for the charge of the Stationery Office, which has now been placed under the supervision of the former officer.

2. I observe that you have directed that the pay of future Superintendents of Stamps and Stationery shall not exceed Rupees 1,000 a-month.

3. Your proceedings are approved.

ORDER.—Ordered that a copy of the above be sent to the Government of Madras for information with the remark that, as a change in the *personnel* of the office of the Superintendent of Stamps and Stationery, Madras, has taken place since the letter from that Government, No. 344, dated 16th February 1875, was written, the present Superintendent, who was appointed to the office on the 23rd March 1875, is to draw, for the combined duties, the consolidated pay of Rupees (1,000) one thousand only which was sanctioned by the Government of India on the 15th April 1875, No. 124, on the terms of the Madras Government's recommendation dated 16th February, and which has been confirmed by the Secretary of State in the present despatch.

Ordered also that a copy of the above be sent to the Accountant-General, Madras, with reference to this department's No. 124, dated 15th April 1875.

(Signed) R. H. HOLLINGBERY,
Asst. Secy. to the Govt. of India.

No. 221. ORDER THEREON, 30th August 1875, No. 1750.

Communicated to the Revenue Department with copy of G.O., dated 19th May 1875, No. 1093, in which it was noted that, consequent on the change in the *personnel* of the office of Superintendent of Stamps, the allowance of Rupees 100 monthly for charge of Stationery would not be drawn.
