Proceedings of the Madras Government, Judicial Department,
1st September 1875.

Taluq Cutcherries.

No. 3. Read the following Proceedings of the Board of Revenue, dated 18th August 1875, No. 2321 :—

Read the following letter from R. DAVIDSON, Esq , Acting Collector of Ganjam, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Russelcondah, 20th July 1875, S No. 537 :—

I HAVE the honor to enclose a plan and an approximate estimate, amounting to Rupees 760, for the improvement of the Deputy-Tahsildar and Sub-Magistrate's Cutcherry at Purushottamapur, and request that the Board will be pleased to obtain the sanction of Government for the work in question being carried out.

2. The present office building consists of two rooms, each 15 × 12. This accommodation is too limited, and it is therefore proposed to add to the existing block another room 15 × 13, with a verandah to correspond with the existing one.

3. By the proposed measure there will be three rooms, one to be used for the records, one for the Gumastas, and the third for the Sub-Magistrate's office.

4. The Sub-Magistrate's Cutcherry in question is situated in an enclosure, on one side of which is the Police Station and lock-ups, and on the other the newly-built Subsidiary Jail. The enclosed rough plan will show the situation of these buildings.

5. There is also a gateway which is dilapidated. Provision has therefore been made to remove it and substitute a better gate, and to build up the compound wall to correspond with the existing portion.

6. The District Engineer will prepare a regular detailed estimate, and take steps for carrying out the work on the sanction of Government being received for the proposed measure.
