The Secretary to Government

Sir,

Referring to Government Proceedings No. 1290 dated 26th August last, I have the honor to state that since the first out of cholera in this District towards the end of June last upto 6th Instant the date of my last Telegram, the total number of Seizures reported was 3546, of which 2192 proved fatal. These numbers include 401 Seizures and 221 deaths not reported by the

the Tahsildars of Sindivanam and Vridachellam in proper time and therefore not included in the weekly Telegrams sent to Government. Reports having since reached me, they are included in the numbers above shewn. A similar omission appears to have taken place in the Taluq of Cuddalore, and the Tahsildar has been called upon to rectify it. The correct numbers will be included in the next Telegram.

I have the honor to be
