Houses for Officers.

No. 43. Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Raneepett, 19th August 1875, No. 59:—

Four gardeners, at a total monthly charge of Rupees 16-8-0, have always hitherto been maintained for the upkeep of the garden and compound attached to the Collector's bungalow at Chittoor, which is now the property of Government. These men's wages have been disbursed by the Zemindar of Cangoondi up to the date of registration of the Deed conveying the property to Government (12th July last); since then the gardeners have not been paid.

2. The repairs to the bungalow by the Department of Public Works are in progress and now approach completion, but until the house is finished and formally made over to me for occupation, and it is decided what rent I shall pay, &c., I think that the wages of the gardeners should be borne by Government, and I have now the honor to solicit orders accordingly.

No. 44. ORDER THEREON, 3rd September 1875, No. 1937.

The Governor in Council is not prepared to sanction the employment in future of four gardeners for the care of the garden and compound attached to the Collector's bungalow at Chittoor.

2. Any charge incurred for the purpose after the occupation of the bungalow by the Collector must be defrayed by that officer. Meanwhile, the number of gardeners will be reduced to such number as the Executive Engineer in charge of the building deems desirable.

3. The wages due to the gardeners up to the date of receipt of this order and until the bungalow is available for the Collector will be disbursed and charged in the accounts of expenditure which is being incurred in renovating the bungalow.

4. Due consideration will be given to the wages payable by the tenant for gardeners, when fixing the rent which should be paid for the bungalow.
