Proceedings of the Board of Revenue

Dated 3rd March 1874.

Read the following

No. 19.

From The Collector of Bellary

To The Secretary to the Board of Revenue
Madras

Sir.

For a journey performed by rail, some of the Divisional officers draw tentage at the rate of one days allowance for every ten miles, instead of drawing the actual railway charges incurred.

2. I have the honor to request the opinion of the Board as to whether this is allowable.

Frequently an officer in making such a journey carries with him his tents in the train.

Officers

Officers travelling by rail are not permitted to draw Extra Tentage for the distance travelled, at the rate of one days allowance for every ten miles. They should either draw mileage at 3 annas per mile or Extra Tentage for the number of days during which the Journey was actually performed as they may prefer.

When, however, the officers carry their tents along with them by rail and the sanctioned rates do not cover the cost, they may submit bills for actual charges in lieu of mileage or Extra Tentage. Vide Board's Proceedings dated 25th March 1872, No. 490.

Proceedings of the Madras Government, Judicial Department,
10th September 1875.

Taluq Cutcherries.

No. 93. Read the following letter from Colonel A. S. MOBERLY, R.E., District Engineer, Cuddapah, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, Fort St. George, dated Reddipully, 21st August 1875, No. 1122:—

I have the honor to forward, for the orders of Government, the accompanying original letter with enclosures received from the Collector. I have informed that officer that I have no funds available, there being no allotment for this district for Minor New Works—Civil Buildings.

Enclosures seven.

2. I have examined the building in question, and herewith submit a plan of the same with revised estimate amounting to Rupees 450. I propose to use some of the windows, &c., from the old Cutcherry, and I request the permission of Government to my removing all the wood and iron work in the old Cutcherry, which may otherwise get eaten by whiteants, which are infesting the building, and to my selling by auction such as are not required for immediate use.

No. 467.

Referred to the Judicial Department for approval of the Collector's proposal. There are no funds available.

(Signed) G. W. WALKER, Major-Genl., R.E.,
Secretary to Government, P.W.D.

OOTACAMUND,
2nd September 1875.

No. 94. ORDER THEREON, 10th September 1875, No. 1996.

The plan and revised estimate, for Rupees 450, for altering and repairing the old Bungalow at Pullampett, used as a Taluq Cutcherry, is sanctioned.

2. The doorway between the male and female wards, although proposed to be closed "with a strong batten door," is objectionable. It must be built up, and a doorway opened into the verandah.

3. The doorway between the Record-room and Tahsildar's room should be closed, and a door opened from the "Cutcherry."
