SURVEYOR GENERAL'S FIELD OFFICE.

Simla 27th August 1875

FROM

THE SURVEYOR GENERAL OF INDIA.

TO

The Secretary to the Government of Madras
Revenue Department

Ostacamund.

SIR,

In reply to your letter No. 1537 Revenue Department Dated 21st July, misdirected to the Superintendent of the Trigonometrical Survey at Dehra Doon, asking for a copy of the Original Map of the old Pattur Talook of South Canara, I have the honor of stating for the information of the Madras Government, that the Map in question is a very large and difficult one to copy, being full of hills, and all the writing most intricate to decipher -

2. Such a Map is totally unfitted to be reproduced by Photography, and as it would take a first class Draftsman at least four months to copy, and my Establishment is quite unequal to the task, I must ask the Madras Government to favor me with the means

of employing extra Draftsmen to execute the work
 the estimated cost of which is Rupees { On Drawing Paper Rs 180/- or
 On Tracing Cloth Rs 120/-

3. On your intimating that this
 sum will be remitted for the purpose, I shall
 have much pleasure in getting the work done
 in the shortest possible time.

4. Please address to Calcutta.

I have the honor to be

Sir,

Your Most Obedt Servt.

H. Munro
 Surveyor General of India.
