PROCEEDINGS OF THE BOARD OF REVENUE, dated 23rd September 1875.

Read the following letter from R. J. MELVILLE, Esq., Acting Collector of Chingleput, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 18th September 1875, No. 545 :—

I HAVE the honor to report that in the Budget Estimate of Charges for the current year Rupees 2,30,000 and Rupees 77,700 were entered, respectively, for manufacturer's share, and for conveying and storing salt; but of these amounts only Rupees 1,80,000 and Rupees 75,900 were sanctioned respectively.

2. From a report received from the Salt Deputy Collector it appears that owing to the scarcity of salt in this and the South Arcot Districts, and to the short supply on hand caused by the past adverse seasons, endeavors were made to obtain as much salt as possible during the present favorable season. The result has been that 2,960,000 Maunds of salt

	MAUNDS.	
Northern Divisions ...	1,800,000	were produced as shown in the margin.
Southern do. ...	1,160,000	The Coodivaram due on this amounts to
Total ...	2,960,000	Rupees 2,96,000, and the cost of conveyance, storage, &c., to Rupees 1,26,756,

of which Rupees 1,69,698 and Rupees 76,612 have been already disbursed.

3. I request therefore, with reference to paragraph 13 of Government Order, dated 19th December 1874, No. 1,598, to forward a statement showing the further sums required, and to request that early sanction may be obtained for their allotment.

4. I also enclose, for the information of the Board, another statement received from the Salt Deputy Collector, in which the sales during the first two months of Fasli 1285 are compared with those of the corresponding months of the previous fasli.

ENCLOSURES Nos. 1 and 2.—Statements.

THE necessary expenditure may be incurred and it will be adjusted at the close of the year.
