PROCEEDINGS OF THE BOARD OF REVENUE, dated 31st August 1875.

1 the following Proceedings of the Madras Government, dated 23rd July 1875, No. 1,103, Revenue Department:—

ABSTRACT.—*Salt*.—Referring to the Board of Revenue for report letter from the Government of India requesting certain information to test the foundation of the assertion that each increase in the price of — in Madras has been accompanied by a diminution in consumption.

THE Collectors of all Salt Districts are requested to submit, as soon as possible, a statement showing the quantities of salt purchased during each of the last thirty years, with the avowed object of exportation to Mysore, Coorg, Travancore, Cochin, the Nizam's territories, the Central Provinces, and the Tributary Mahals. The quantity purchased for each of the above places should be distinctly shown for each year, and it should be stated, with reference to paragraph 4, whether the figures are reliable, and, if not, whether it is possible to estimate the quantities actually exported more correctly, in which case an estimate should be framed and an additional statement submitted for the same period showing the figures believed to be more correct and the manner in which they have been arrived at.
