An indent from the Deputy Superintendent of the Survey, two iron Cash Chests were purchased and supplied to him and a formal sanction authorizing the indent officer to include the charge in his Contingent bill was communicated to the Accountant General.

In Memo No 1361 of the 16th September the Deputy Accountant General informs me that the purchase was in contravention of the Resolution of Government of India No 22 of the 22nd August 1875 which had not been communicated to me. But of which a copy was furnished to me on application on the 1st instant.

As the chests have already been purchased for Rs 25-- and as the Deputy Accountant

Accountant General considers that
 sanction of the local Government is required
 for the admission of the charges. I have the
 honour to request that Government will
 be pleased to authorize the Audit Depart-
 ment to admit the same in the Contingent
 bill of Mr. Madras Army party.

I have the honour to be
 Sir

Your Most Obedt. Servant
