FOREST No. 192.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 10th September 1875, No. 2,530.
Read the following Proceedings of the Madras Government, dated 21st August 1875, No. 1,259, Revenue Department:—

Proceedings of the Board of Revenue, dated 3rd July 1875, No. 1,344.

ABSTRACT.—Submitting, with remarks, scheme proposed by the Inspector of Forests for a general revision of forest subordinate establishments.

ORDER THEREON, 21st August 1875, No. 1,259.

His Excellency the Governor in Council considers that the necessity of enlarging and systematically reorganizing the entire subordinate forest establishment is fully demonstrated.

The scheme now proposed meets with the warm approval of the Government, and will be at once forwarded for the sanction of the Government of India.

His Excellency has no doubt that the result will be so marked an improvement in the conservation of the forests, that the slight increase of expenditure will prove true economy.

2. The arrangement of the Central office cannot be definitely determined upon until the relative position of the Board and the Inspector is settled, and this portion of the scheme will be separately disposed of.

3. The Government approve of the nomenclature as adopted by the Board of Revenue in paragraph 12 of their Proceedings, and the introduction of a graded list is sanctioned, but for the present "Rangers" only should be brought on to it, and their selection and promotion will rest with the Inspector.

4. In the matter of clothing, the Government are of opinion that it is desirable that the whole of the subordinate establishment should be supplied with uniform, &c., on the system in force in the Police. The Board will be good enough to consider the matter, and report on the probable expense after arranging the details in communication with the Inspector.

5. His Excellency desires that Captain Walker will accept the thanks of the Government for the thorough and practical manner in which he has reviewed what was required and submitted his proposals.
