MADRAS RECORD OFFICE

GOVERNMENT OF MADRAS

Revenue DEPARTMENT.

G.O. No.	2234	Press
B.P. No.		Mis.

Dated 23. 10. 1875 196 .

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department, 8th October 1875.

Read the following letters:—

No. 106. From Major H. SMALLEY R.E., Officiating District Engineer, Ganjam, to Colonel G. W. WALKER, E., Chief Engineer, Public Works Department, dated Camp at Berhampore, 28th May 1875, No. 10.

In continuation of my letter, dated the 19th May 1875, No. 6, I have the honor to forward an estimate, amounting to Rupees 2,000, for a 1st class Range Office at Berhampore.

The present Range Office consists of one room, 30 × 14, low and dark with a narrow veranda round it, and is not suitable for the accommodation of the Range Officer, his establishment and records. It is in very bad repair, an estimate for its repairs, amounting to Rupees 172, was submitted to you for sanction with my letter No. 6, dated 19th May 1875, referred to above.

2. I propose the present Range Office should be handed over to the Taluq Overseer, Berhampore, if the estimate now forwarded be sanctioned, for his office for which it could be suitable when repaired, thereby saving the sum of Rupees 490 sanctioned in G. O., dated the 17th February 1875, No. 471, for a new Overseer's office at Berhampore.

No. 107. From the same Officer, dated Camp at Berhampore, 9th September 1875, No. 19.

With reference to your memorandum, No. 97, dated the 21st June 1875, I have the honor to forward herewith a sketch of the site for the proposed Range Office at Berhampore, and to inform you that the Tahsildar reports that no compensation whatever is required for the land as it is Government waste.

2. This information has only been obtained from the Tahsildar yesterday.

No. 108. ORDER THEREON, 8th October 1875, No. 2,376.

CIVIL WORKS, No. 8-C.

The estimate for constructing a first-class Range Office at Berhampore is sanctioned. No funds will be available this year, but the necessary allotment will be included if practicable in next year's budget.

2. The propositions of the District Engineer involve the transfer of the present Range Office to the Taluq Overseer at Berhampore, and therefore the sanction accorded in G. O., 17th February 1870, No. 471, for a new Overseer's Office, will now be cancelled.
