Financial Resolution, No. 932, dated 18th July 1872, deciding that the receipts on account of Railway Class C. Lands shall be credited to Land Revenue.

RESOLUTION.—The Governor-General in Council observes that under these orders the accounts do not correctly represent the State outlay on "Land and Supervision" for Guaranteed Railways. To remedy this defect, and also to relieve the Land Revenue Account from a casual disturbing element which the above orders have introduced into it, His Excellency in Council directs, in supersession of the orders of 18th July 1872, that the sale proceeds of Railway Class C. Lands be, in future, set off as a reduction of the charge for "Land and Supervision," instead of being credited to Land Revenue.

ORDER.—Ordered, that the foregoing Resolution be communicated to the Public Works Department* for information and further orders; to the Department of Revenue, Agriculture and Commerce for information; and to the Comptroller-General and the Accountant-General, Bengal, for information and guidance.

* Original papers returned.

ORDER.—Ordered, that a copy of the above Resolution be communicated to the Local Governments and Consulting Engineers noted in the margin, for information and guidance, and to the Accountant-General, Public Works Department, for information and the issue of any necessary orders.
