To

The Government of India

The humble Mahasurama presented
by the under signed persons residing in
Madura and thereabouts

Most respectfully sheweth

I That we the public at large now learn
that 1. Appanor Pillai Clerk in the Assistant
Collectors office and 1. Ramaswamy Iyer
Head Clerk in Deputy Collectors office are
recommended by the Collector of this District
to the Government for their exemption from
the necessity of passing special test with
a view to allot to them higher footing in
the Government service than they now
have.

II That the Public here and all assert that
there is no other ground for the Collector
to justify their giving the said exemption
than that they are long standers in the

service.

That the said Ramaswami Iyer is very old both in service & in age, that he is fit only to be pensioned for his long service; that your Lordships may very easily and properly judge that his long standing without further promotion in one and the same office, apparently shows that he ~~is~~ not at all fit to be considered clever, honest, & able. So pass inq^uisition that we do not know any reasons for omitting

this Ramaswami Iyer's name when certain individuals were recommended formerly by this Collector; that this is a second conclusion to think that a man who ~~is~~ not considered fit to be exempted when he was at his youth able to do duty is evidently not competent for the said purpose. & that the Government are earnestly requested to consider that the said Ramaswami Iyer is not more than an immense long standing in one and the same ~~office~~ place.

He pays his full pay, Rupees 45. to his confidential monthly.

He cultivates his sources of cutting money ~~has~~ as above said to maintain his family consisting of not less than 20 members including Bandy Bullock &c. driver.

6 That giving him an independent office on the assumption of his examination is not less than sacrificing the poor subjects who have up to this moment been safely protected by the government to an avaricious giant.

7 That conducts of every magistrate Moosher will be made good after the assumption of Collectors duty by Bhao Esquire.

We therefore humbly pray your Lordships declined ~~the~~ said exemption for the said Ramdas Singh and Council.

III That there are three special grounds
for which he (Ramaswami Sanyal) has
to devote his whole precious time
~~leaving~~ ^{leaving} not a single moment for the
preparation of examination.

The grounds are

- 1 He is an expert in ~~amoral~~ ^{surprised} pleasure with
dancing girls from a long experience.
- 2 He is an expert in cutting money from
all sources as bribery although he is
a subordinate under one head officer.
- 3 He is also an expert in getting his
malicious vein accomplished siding
his superior's intention and taking the
said opportunity.
- 4 That he divides his ~~time~~ ^{time} into three
parts one for each of the said purposes.
- 5 The said Ramaswami Sanyal is not worth
of a single cash ~~in~~ ^{by} ~~as~~ ^{as} ~~certainty~~ ^{certainty}.

if there be any such order passed
to that effect.
