No. 123. Read the following Proceedings of the Board of Revenue, dated 4th October 1875, No. 2767:—

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 4th September 1875, No. 256:—

I HAVE the honor to submit the enclosed plan and estimate for the construction of a Deputy Tahsildar's Cutcherry and a Police lock-up at Yercaud, on the Shevaroy Hills, and to request that the Board will be pleased to obtain the sanction of Government for the same.

2. The Government have sanctioned an estimate for the construction of a Police lock-up at Yercaud; but as it would be more convenient to have a proper Cutcherry including the Police lock-up built once for all, I requested the District Engineer to prepare the plan and estimate now submitted.

3. The building at present used as the Cutcherry is a very small bungalow purchased in 1862 from Major R. Hunter; but now that a treasury has been established at Yercaud, it is scarcely adequate for all the purposes of a Deputy Tahsildar's Cutcherry and a Magistrate's Court. The building is divided into small rooms, and is so built that it cannot be conveniently altered into a proper Cutcherry. I propose, therefore, that the opportunity of constructing the lock-up be taken to provide suitable accommodation for the Magistrate's Court and Treasury. The present building should, I propose, be rented to the Deputy Tahsildar for a moderate monthly rent. In order to secure the services of a proper person for the office of a Deputy Tahsildar on the Shevaroy Hills, it is very desirable that he should be provided with accommodation.

4. Under these circumstances, I trust that the Board will be pleased to support the proposal, to build a new Cutcherry at Yercaud. The estimate amounts to Rupees 2,770. Deducting from it Rupees 730, the amount already sanctioned for the lock-up, there remains Rupees 2,040 to be now sanctioned.
