FOREST No. 180.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 24th August 1875, No. 2,380.

Read the following letter from Captain C. WALKER, Officiating Inspector of Forests, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Ootacamund, 3rd August 1875, No. 395:—

WITH reference to paragraph 6 of Proceedings No. 112-1,706, dated 21st June 1875, I have the honor to request that the words *paragraph III of Circular No.* 34 may be substituted for "paragraph 2 of Circular No. 34" in my report, the latter reference being irrelevant as the Board remark, and the result of a clerical error.

COMMUNICATED to Collectors of Forest Districts.

2. With reference to paragraph 11 of Captain Walker's report, it appears to the Board that the instructions in question refer to new works of plantation, and that it is not necessary for budget purposes that they should be complied with to obtain allotments for plantations already existing and coming under the category of sanctioned works under the old procedure.
