No. 282-A. Proceedings of the Madras Government in the Financial Department, dated 30th June 1875, No. 1,385.

Read the following letter from Captain J. W. HINDLE, Officiating District Engineer of Vizagapatam, to Lieutenant-Colonel J. MULLINS, R.E., Officiating Secretary to Government, Public Works Department, Fort St. George, dated Waltair, 16th June 1875, No. 445.

Two copies of letters from Collector of Vizagapatam.

Subsidiary Jail at Gunupur.

* Rupees 2,780 from Convict Labor Fund.

With reference to the work, noted in the margin, for which an estimate, amounting to Rupees 2,780, was sanctioned in G. O., No. 1,119, of 6th April 1869, and an allotment* that was provided in the Provincial Budget of the current year, I have the honor to submit, herewith, for the orders of Government, copy of a letter, and its enclosure, received from the Collector of Vizagapatam, suggesting that the estimate in question be cancelled, and that a sum of Rupees 100 be placed at his disposal for the erection of two sheds, *viz.*, one for a cookhouse and another for a latrine, for which Rupees 370 were provided in the sanctioned estimate.

If Government approve of the Collector's suggestion, I request that, of the allotment above referred to, Rupees 2,680 may be withdrawn from the grants of this district, leaving Rupees 100 to meet the cost of the two sheds proposed to be constructed by the Agency Department.

From H. Sr. A. GOODRICH, Esq., Acting Collector of Vizagapatam, to Captain J. W. HANDLE, Esq., District Engineer, Waltair, dated Saloor, 10th June 1875, No. 1-A—1,038.

I have the honor to enclose copy of a letter received from my Senior Assistant. I was at Gunupur lately and know that the expenditure now proposed would be an absolute waste of money. The present accommodation for the Police prisoners and Subordinate Magistrate is sufficient and arranged conveniently.

2. I shall be obliged by your stating whether you can make over to me Rupees 100 to be expended as Mr. Willock suggests.

3. I return the plans and estimates enclosed.

From W. A. WILLOCK, Esq., Acting Senior Assistant Agent, to H. Sr. A. GOODRICH, Esq., Acting Agent to the Governor of Fort St. George in Vizagapatam, dated Parvatipore, 2nd June 1875, No. 177.

I find from Mr. Cormac, Supervisor of the Department of Public Works, that plans have been prepared in that department for certain alterations and additions to the Gunupur Subordinate Magistrate's Cutcherry, which they now propose to carry out at a cost of Rupees 2,770.

2. From the papers I have been shown, it appears that these alterations were called for by the Subsidiary Jail Committee in 1868, and have lain over since then. I think the referring the matter to the Department of Public Works to be be carried out must have been by mistake, as I find that some of the proposed alterations have been already carried out by the Agency Department, *i.e.*, those in the main building.

3. The additions not carried out appear to be constructing an hospital shed, cookhouse, and latrines. The former is not required, as there now is a Police Hospital in the compound. The cookhouse and latrines would be a great convenience, but small works such as these can be more conveniently constructed by the Agency Department than by the Department of Public Works.

4. I beg to suggest that instead of the proposed alterations being carried out (at a cost of Rupees 2,770) Rupees 100 be placed at my disposal for the construction of the above-mentioned sheds.

5. The new Subsidiary Jail and Police Office will have nothing more to be desired for the accommodation of the Subordinate Magistrate, as long as the present building lasts. As its walls are constructed of posts filled in with mud, it probably will have before long to be pulled down, and a new Cutcherry built, and consequently any expensive repairs to it are not advisable.

P.S.—The enclosures to be returned to Mr. Cormac's office.

TRANSFERRED to the Judicial Department.

OOTACAMUND,
24th June 1875.

(Signed) J. O. HASTED, Major, R.E.,
Offg. Joint Secretary to Government, P.W.D.

UNDER the circumstances explained by the District Engineer, the Governor in Council directs that the allotment of Rupees 2,780 made for the Subsidiary Jail at Gunupur in G. O., Financial Department, dated the 23rd January 1875, No. 118, be withdrawn, and that a sum of Rupees 100 be assigned for the erection of two sheds, one for a cookroom and the other for a latrine.

2. As the sheds can be conveniently erected by the Agency Department, the Accountant-General will place the sum of Rupees 100 at the disposal of the Agent to the Governor in Vizagapatam, debiting it to the Convict Labor Fund.

3. By the withdrawal of the allotment for the Subsidiary Jail, a sum of Rupees 3,375 will be set free from the allotment made in the Financial Order above cited, *viz.*:—

	Rs.
Allotment for Subsidiary Jail	2,780
Charge for Public Works Supervision	695
Total ...	3,475
Deduct present assignment	100
Balance ...	3,375

4. The Governor in Council will be prepared to transfer this amount for any other work connected purely with jails for which there may be an allotment in the Public Works Provincial Budget for 1875-76, so as to allow of the appropriation of that allotment for some other purpose for which it may be needed.

No. 26. Proceedings of the Madras Government in the Financial Department, dated 24th August 1875, No. 1,710.

Read the following letter from R. W. LODWICK, Esq., Accountant-General, to the Hon. D. F. CARMICHAEL, Officiating Chief Secretary to Government, Fort St. George, dated Fort St. George, 3rd August 1875, No. 281.

Book Department.

WITH reference to G. O., No. 1,535, dated 24th July 1875, Financial Department, I have the honor to point out that Rupees 6,262 have been assigned in Government Orders, as per margin, from the probable balance of Rupees 4,703, shown in the Convict Labor Fund Budget for 1875-76, and that the amount available, taking into account the sum of Rupees 3,375 set free in G. O., No. 1,385, dated 30th June 1875, Financial, is therefore only Rupees 1,816, and not Rupees 3,375.

No. 900, dated 21st April 1875, Financial.
„ 1,237, „ 5th June „ „
„ 1,328, „ 21st „ „ „

2. There is also a sum of Rupees 1,670 sanctioned in G. O., No. 1,582-A, dated 19th July 1875, Judicial, regarding which no orders have been passed in

the Financial Department, directing the amount to be met from Convict Labor Fund. If it is intended that this sum should be deducted from Rupees 1,816, only Rupees 146 are available from the Convict Labor Fund.

It would have been more satisfactory had the Accountant General submitted a statement showing the exact position of the Convict Labor Fund on the date of his letter.

2. It appears from the Proceedings of Government, dated 20th March 1875, No. 620, that the probable balance under the Convict Labor Fund was Rupees 4,703:—

3. The Inspector-General of Jails will be requested to examine the matter and report whether the balance, as above worked out, is correct; and submit a revised estimate of the Fund, including all alterations since the 20th March 1875, to date.

4. The work, for which a sum of Rupees 1,670 was sanctioned in Public Works Department Order, No. 1,873, dated 3rd July 1875, is to be carried out by the Jail Department from funds at its own disposal under the head of "Additions and Alterations, Rupees 15,850," and no orders are specifically needed in the Financial Department for the appropriation of the amount.

5. The sum of Rupees 1,876, sanctioned in Order dated 5th June 1875, No. 1,237, is also to be met from the funds at the disposal of the Jail Department above adverted to.

No 283. ORDER THEREON, 15th October 1875, No. 2,956.

ACCOUNT, No. 13.

THE Financial Department were requested in G. O., No. 1,901, dated 5th July 1875, to make a special assignment of funds for incomplete works of 1874-75, which, owing to the smallness of the grant for 1875-76 under Provincial, could not be provided for in the current year. But in

their orders of the 24th July 1875, No. 1,538, it was stated that there were no funds available for allotment for Incomplete Provincial Works amounting to Rupees 70,236, and that for works falling under Convict Labor Funds, and amounting to Rs. 11,853, a sum of Rupees 3,375 only was available.

2. It became necessary, under these circumstances, to postpone* the commencement of all works which had not already been begun, and to call for surrender of all sums which District Engineers were in a position to give up. Replies from all districts have now been received, and the following statement shows the amounts surrendered under Provincial:—

6. The sum of Rupees 1,575 allotted under Provincial in paragraph 12 of G.O., No. 1,904, dated 5th July 1875, for working punkahs at the General Hospital, will be withdrawn under G. O., No. 612,* dated 18th April 1874 (Financial Department), and the Financial Department will be

* Public Works G.O., No. 33, dated 8th May 1874.

requested to arrange otherwise for providing the amount required which is not a charge debitable to Public Works Provincial.

7. A sum of Rupees 3,400 has been allotted in the above statement for the completion of the improvements to the District Court-house at Mangalore, and a sum of Rupees 1,524 for the coir godown at the same place. But it is remarked that the District Engineer not only failed to avail himself fully of the allotments made for these works last year, but omitted to report his inability to do so in order that transfers to other districts might have been made.

8. These strictures apply also to the action of the District Engineer, Nellore, who failed to surrender the unexpended balances of the allotments for the Cutcherries at Vencatagiri and Udiagiri which were fully provided for in last year's Budget, and for which Rupees 3,333 and Rupees 2,285 respectively are applied for in the current year—*Vide* G. O., No. 1,904, dated 5th July 1875.

9. The sum of Rupees 3,675 applied for on account of the Taluq Cutcherry at Bezwada cannot be provided till sanction shall have been granted to the supplemental estimate promised by the District Engineer, but not yet submitted.

10. The sum of Rupees 8,000 required for the Kanigiri Cutcherry has also been disallowed for want of sanction to supplemental estimates.

11. Of the past year's allotment (Rupees 5,700) for the Sub-Magistrate's Cutcherry at Yemaganoor, Bellary District, Rupees 2,000 only were surrendered in February 1875, and, as a sum of Rupees 4,620 is applied for in the current year, upwards of Rupees 2,000 must have been allowed to lapse.

12. It is observed that the District Engineer, South Arcot, also failed to place at the disposal of Government the funds which he was unable to utilize last year on the Taluq Cutcherry and Sub-jail at Ooloondoorpett, and which have now to be re-allotted.

13. Failure to utilize the grant of Rupees 3,272 made in G. O., No. 1,943, dated 20th July 1874, for lightning conductors to the Jail buildings at Cannanore, necessitates the re-allotment of the amount in the current year. Last year's allotment was also surrendered so late in the official year that, depending on the amount being duly utilized, the work was excluded from the Budget of 1875-76.

14. Under Convict Labor Funds Rupees 18,000 have been surrendered, as shown below. To this is added the sum of Rupees 3,375, set free in Financial G. O., No. 1,385, dated 30th June 1875, and the current year's allotment of Rupees 5,000 for the Sub-Magistrate's Cutcherry and Sub-jail at Salur in the Vizagapatam District under G. O., No. 1,127, dated 21st April 1875. The total sum thus available is Rupees 26,375.
