Secretary to the Board

of Revenue Madras

Sir

I have the honor to request that the Board will obtain the permission of Government that I may demolish the old Cutwal's Choultry in the Guru Town and sell the materials.

2. The building is constructed like every such Choultry projecting into the street so as to be an obstruction to it and I would therefore propose that its site be made over to the Municipality for the improvement of the street

in

in which it is.

3. The building is no longer required because it is proposed to move the Taluq Police Inspector's office which was there located either into the old lock up or into the Tahsildar's Cutcherry as may be most convenient whichever Manage-ment is rendered feasible by the completion of the new lock up attached to the Taluq Cutcherry.
