No. 1855.

From

A. McD. Jones Esquire
Deputy Collector in charge of Treasury
Ganjam.

To

R. Davidson Esquire
Acting Collector of Ganjam.

Sir:

I have the honor to request that you will be good enough to submit to the proper quarter this my application for 2 months' privilege leave from or after the 27th November next.-

2. I returned to duty from my last leave on the 27th March 1874 having availed myself only of 23 days privilege leave (from 4th to 27th March) out of one month then granted to me, the remainder having been cancelled by notification in page 693 Fort St George Gazette of 2nd April 1874.

The

The cancelled portion (6 days) plus the privilege leave which I will have earned on the 27th November next by a service of 20 months, will make up the period I now solicit.- I may add that in April 1873. I gave up similarly some 6 days privilege leave to meet an exigency of the service.-

3. A few words perhaps in explanation of my reasons for soliciting leave in so short a time after joining the District may not be out of place. The necessity for leave was pressing at the time that I was gazetted to this District, but considering that my appointment then involved a change in my permanent rank and a distant journey, I judged it would be better to defer my application till some little time after joining, and adopted this plan though it subjects me to additional expense.-

24+24

4. I declare that I have no intention of retiring or of taking furlough Special leave or leave on private affairs or medical certificate for 3 months after my return to duty.-

I have &c.
