Dated 22-11-1875 ~~196~~ .

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department,
29th October 1875.

2453

Read the following papers:—

No. 501. From T. D. HARRIS, Esq., Officiating District Engineer, Malabar, to Major-General G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Calicut, 16th October 1875, No. 105.

With reference to your memorandum, No. 555, dated 24th ultimo, I have the honor to forward a list of timber lying both at Beypore and at Ponany, and to state that I have personally inspected both depôts, and find that the timber in each place is only fit for building purposes, such as obtaining wall-plates, bressummers, door, window frames, and planking, reepers, &c.; very little timber in the whole would give larger scantling. The timber at Beypore has been much exposed and greatly cracked and deteriorated. The wastage in sawing the timber to get at the sound ones will no doubt be 40 per cent. for those at Beypore, and 30 per cent. for those at Ponany. All the sound timber in each case that may be obtained will be very good and very well seasoned.

2. I beg further to state that no timber is required at present for use of any work in the ranges of this district.

3. A list of measurement accompanies for each depôt. Trusting the information will be found satisfactory.

Rough Measurement of Teak Timber collected at Beypore belonging to the Forest Department.

All these timbers are well seasoned.

CALICUT,
October 1875.

(Signed) T. D. HARRIS,
Offg. District Engineer, Malabar.

No. 502. From T. D. HARRIS, Esq., Officiating District Engineer, Malabar, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Calicut, 16th October 1875, No. 106.

SINCE writing to you (No. 105, dated 16th instant) I have received a communication (copy enclosed) from the Collector of Coimbatore forwarding a copy of notice regarding the proposed sale of teak logs, &c., at Ponany and Beypore; in reply I have informed him that I do not at present require any such timber.

Proceedings of the Madras Government, Public Works Department,
29th October 1875.

From A. WEDDERBURN, Esq., Collector of Coimbatore, to T. D. HARRIS, Esq., Officiating District Engineer, Malabar, dated Coimbatore, 13th October 1875, No. 140.

I HAVE the honor to forward a copy of notice regarding the proposed sale of teak-wood logs and planks at Ponany and Beypore belonging to the Anamallay Forest Department; and request that in case any of the supply be wanted by your department, intimation may be given to Mr. Douglas direct, copy of the application being sent to me. I am forwarding copies of this letter and of the notice to the Range Officers of Calicut and Palghaut, so that they may apply for any wood required direct to save time, as the date fixed is 18th October 1875.

No. 503. ORDER THEREON, 29th October 1875, No. 3,072.

ACCOUNT, No. 18-A.

ORDERED to be recorded.

2. It would appear that much of this timber has deteriorated from being too long undisposed of and not properly stored. It is suggested to the Revenue Department that all timber from the Anamallays be offered to the Public Works Department, through the Chief Engineer and the District Engineer of Coimbatore, at the depôts of Anamallay or Coimbatore before it is despatched to Beypore or Ponany.

(True Extract.)

E. Smalley Major-General, R.E.,
Secretary to Government.

To the District Engineer, Malabar.
" " Coimbatore.
" Revenue Department, with remarks by Members.

Remarks of the Hon'ble the Governor

I fear much was sent as never should have been moved to the coast. I would call for explanation by Collector and ask what objection he has to offer to the Chief Engineer's suggestion which I think good.

(Sig.d) W. A.
25th Octr.

Remarks by the Hon'ble W. Huddleston

The call desired by His Excellency should be made in Revenue Department

(Sig.d) W. H.
