To the Traffic Manager
Madras Railway

Sir, I have the honor
to draw your attention
to the fact that
the Season Report from
the Collyer of Coimbatore
of the 22nd instant
received thro' the Rail-
way Telegraph Dept.
is almost illegible
owing to the paleness
of the writing & re-
quest that you will
be good enough to
issue instructions
to secure messages
being written in fu-
ture clearly and
legibly -

Signed L. G. Campbell
