Miscellaneous No 10083
PROCEEDINGS OF THE BOARD OF REVENUE,

Dated 9th Nov 1875.

Read the following

No 551

From W. R. Robertson Esq
M. B. A. C.
Superintendent Governor
To Messrs
M. E. Stokes Esq
Acting Secretary
Board of Revenue. Madras.

Sir,

I have the honor to
request that sick leave
may be granted to Mr. K. P.
Schiffmager from Monday
the 18th Instant upto and
including the 8th of November
and that, if possible, the leave

FOR ORDERS.

Sick leave to
Mr. Schiffmager

may be granted on the same
conditions as the sick leave
last granted to him.

Mr. Schiffmayer is now
in the Eye Infirmary suf-
fering from an injury of
the eye, caused by the con-
-tents of a quart bottle of
liquid ammonia having
been thrown over his head
and shoulders while he was
engaged in Laboratory work
on the 15th Instant. As far
as I can learn he, it appears,
was endeavouring to remove
the stopper of the bottle, ^{etc.}
when it was suddenly forced
out by the pressure of the
gaseous ammonia inside; ^{this}

this rushed out with great
force and carried, with it,
the whole of the liquid &
contents of the bottle. The
accident was not, I think,
due to any neglect on the
part of Mr. Schiffmayer
who is a good chemist and
thoroughly acquainted
with the properties of am-
moniacal solutions. The
bottle of ammonia was
purchased in the bazaar
and it had, I think, been
filled up to too near the
stopper to allow for the
expansion of any gas that
might separate from the

water during exposure
to a high temperature.

The effects of the
accident were not con-
sidered serious until the
22nd Instant when the
Medical Officer under
whose care Schiffmayer
had placed himself for
treatment, advised him
to go into the Eye Infirmary.

I am glad to add
that, in a letter received
yesterday from Mr. Schiff-
mayer, I was informed
that, the state of his eye
has so much improved,
there is no longer any danger
of

of his eye sight being perma-
nently injured.
