*Proceedings of the Madras Government, Judicial Department,
19th November 1875.*

Taluq Cutcheries.

No. 92. Read the following Proceedings of the Board of Revenue, dated 28th October 1875, No. 2986 :—

Read the following letter from W. LOGAN, Esq., Acting Collector of Malabar, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Calicut, 6th October 1875, No. 306 :—

UNDER paragraph 85 of the Public Works Code, I have the honor to forward, for the approval of Government, an approximate estimate for the marginally noted work.

Alterations to the Taluq Cutcherry of	Rs.
Walluvanad	800

2. The record-room, though comparatively safe, is found to be inconveniently small, and is ill-lighted.

3. Its defects have already been reported in my predecessor's letter, dated 26th September 1874, No. 229.

4. The alterations proposed do, in my opinion, require the earliest attention, and I beg that the work, which will not cost very much, may be speedily sanctioned. I extract the following passages from the Special Assistant Collector's Report, No. 164, dated 28th April 1875 :—

"The Tahsildar and Sheristadar have to sit within a few feet of each other (each perhaps trying a case) surrounded by clerks and copyists in a dark, narrow verandah to which the public have no access.

a door at the back the Tahsildar could overlook his establishment, and the confusion that is now caused by Tahsildar, Sheristadar, and establishment, all carrying on their various duties simultaneously in one small verandah, would be put an end to."

Submitted for the sanction of Government.
