Acting Sub Collector of North Arcot

To

W. L. Whiteside Esquire

Collector of North Arcot

Sir,

In reply to your letter N^o 1975 of the 31st August last, I have the honor to state that from the reports of the Arcot Tahsildar it appears that some of the parties therein referred to represented their claims for the refund verbally at different times to the Settlement Officers, but all of them however put in their written application to the Sub Collector only on the 12th

12^d March 1874

2. This application was referred to the Tahsildar on the same date; but the latter Officer had their claims enquired into by a Revenue Inspector of the Taluq, and reported to me only on the 12^d July last.

3. The Land statement referred to in para 2 of your letter is retransmitted herewith. The Tahsildar's final report explaining the delay was only received yesterday.

I have &c

The Collector requests sanction for the refund of Rupees 33-12-11 collected from certain Ryots in 1868 & 69 on account of land revenue which was subsequently remitted. The explanation of the delay viz that the parties applied for the refund on several occasions during the time of settlement, but their written application was presented only in March 1874 is not very satisfactory. The

The Board request
that the sanction of Govern-
ment may be granted for
the refund in question.
