As the amount of the above estimate is, and those of future ones will be, in excess of the local limit of sanction (G.O., No. 299, of 7th February 1874,) I have the honor to request that you will be so good as to let me know whether all future estimates for up-keep of the anicut should be submitted for the sanction of Government, or whether I can pass them for execution and disburse the amounts to the Collector.
