No. 195.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 29th January 1875.

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 6th January 1875, No. 5 :—

In paragraph 6 of their Proceedings of the 4th December, No. 3,509, the Board suggest to Government that Curnams should send "to the taluq along with the cultivation accounts" a Memorandum showing the lands cultivated without durkhast.

2. I beg, however, respectfully to point out that the Board in their Proceedings of the 14th September 1864, No. 6,036, issued a Standing Circular, No. 70, in paragraph 10 of which Curnams were required to send their cultivation accounts to Revenue Inspectors, and this practice has ever since been in force in this district.

3. It would be a decided improvement, I think, if the cultivation returns were sent direct to the taluq and compiled by the Taluq Sheristadar ; for at present the returns sent in by the Revenue Inspectors are by no means accurate owing to the difficulty many Curnams have in finding out where the Revenue Inspector is at the time when the cultivation account is due, and the Revenue Inspector accordingly only reports such cultivation as has been reported to him by the date when his own report has got to go in.

The Board are of opinion that the cultivation accounts must go through the Revenue Inspector.
