*Proceedings of the Madras Government, Revenue Department,
19th February 1875.*

No. 236. Read the following Proceedings of the Board of Revenue, dated 2nd February 1875, No. 223:—

Read again Board's Proceedings, dated 31st August 1874, No. 2,450.

Read also the following letter from C. T. LONGLEY, Esq., Collector of Salem, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 4th January 1875, No. 2:—

With reference to the Board's Proceedings, dated 31st August 1874, No. 2,450, I have the honor to report that from a statement made by the Curnam it appears that the Village Munsif's Choultry at Killamangalam was repaired by the Department of Public Works about twelve years ago at a cost of Rupees 50, but there is nothing on record either in the Taluq Cutcherry or the Range Office to support his assertion.

2. The main object of repairing the Choultry is to provide a place for the Village Munsif to hold his Court, as there is no other building in the village available for the purpose.

3. A reduced estimate for Rupees 44-13-0 prepared by the Sub-Collector is herewith sent, and I request that the Board will be pleased to accord their sanction to it and return to me the original estimate transmitted with my letter of 10th August last.

ENCLOSURE No. 1.—Revised Estimate.

THE revised estimate for the repair of the Killamangalam Village Choultry—a building valued at Rupees 60—amounting to Rupees 44-13-0, will be submitted for the sanction of Government. The original estimate, amounting to Rupees 89, will be returned to the Collector as requested.

2. The cost can be met from savings under Petty Construction and Repairs, Land Revenue.

Read also the following letter from C. T. LONGLEY, Esq., Collector of Salem, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 4th January 1875, No. 2:—

With reference to the Board's Proceedings, dated 31st August 1874, No. 2,450, I have the honor to report that from a statement made by the Captain, it appears that the Village Munsif's Choultry at Killamangalam was repaired by the Department of Public Works about twelve years ago, at a cost of Rupees 60, but there is nothing on record either in the Taluq Cutcherry or the Range Office to support his assertion.

Acting Secretary.

To the Acting Secretary to Government, Revenue Department,
with revised estimate, and Board's Proceedings,

the Collector of Salem, with original estimate, returned.

No. 2,450.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 31st August 1874.

Read the following letter from C. F. LONGLEY, Esq., Collector of Salem, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 18th August 1874, No. 288:—

I HAVE the honor to forward an estimate for 89 Rupees for repairing the Village Mansif's choultry at Killamangalum, in the Oosoor Taluq.

2. The building is very much in need of repair, and as the amount of the estimate exceeds one-fourth of the estimated cost of the building, the sanction of Government is necessary.

3. I beg that the necessary sanction may be obtained, and if funds are available, Rupees 89 placed at the disposal of the Public Works Department.

ENCLOSURE No. 1.—Estimate.

THE Collector will submit a report similar to that called for in Board's Proceedings, dated 7th August 1874, No. 2,136.

2. The building seems to be so ruinous that it can scarcely be said to have any existence at present. The project for repairing a building valued at Rupees 60 at a cost of Rupees 89 seems to be very like a project for making a new building. (A true Copy and Extract.)
