*Proceedings of the Madras Government, Revenue Department,
22nd February 1875.*

No. 264. Read the following despatch from the Right Honorable the Secretary
of State for India:—

INDIA OFFICE, LONDON,
21st January 1875.

Revenue,

No. 1.

Mr LORD,—The despatch of your Excellency in Council, dated 16th October, No. 12 of 1874, transmitting the report of the Board of Revenue on the settlement and collections of the revenues of the Madras Presidency for the year ending 30th June 1873, has been considered by me in Council.

2. The despatch of your Excellency in Council gives a very clear summary of the statements in the report of the Board.

I have only to remark that the results presented by the Board are in all respects, except the sanitary condition of the Presidency, very satisfactory. Even with regard to sanitation, I am glad to observe that, notwithstanding severe outbreaks of fever and small-pox, the death-rate was lower than in the preceding year. The general statement as to increased revenue, punctual realisations, and reductions of balances is, on the whole, favorable.

I have, etc.,
