*Proceedings of the Madras Government, Revenue Department,  
23rd February 1875.*

No. 275. Read the following letter from H. B. GRIGG, Esq., Acting Commissioner of the Nilgiris, to C. G. MASTER, Esq., Acting Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 18th February 1875, No. 10 :—

REFERRING to G. O., No. 884, dated 6th June 1872, I have the honor to state that there have been no Flower-shows at Ootacamund for the past two years, and that there is no immediate prospect of their being revived, at least in connection with the Agricultural Society, consequently no fresh design was prepared.

2. The interests of the Government Gardens will probably be better served by erecting in course of time a good conservatory than by erecting an exhibition shed, a building which from its character is comparatively of little use except for exhibition purposes.
