to bring to your notice that, in the estimate of Rs. 5,110 submitted on the

13th August, the repairs to the portion of the Cutcherry occupied by the English Correspondence Department were not included, as it did not then appear that it required any; but the heavy rains of October affected the roof of this part of the Cutcherry to such an extent that it was considered necessary to commence the repairs on emergency.

2. It was only lately that I came to know that the portion in question was not included in the first estimate, and I have therefore the honor to submit a supplemental estimate of Rs. 480 for repairing the same, and request that this be included in that submitted before and early sanction accorded to it, which now amounts to Rs. 5,590.

TRANSFERRED to the Revenue Department for disposal with reference to G. O.,
