*Proceedings of the Madras Government, Revenue Department,
26th February 1875.*

No. 339. Read the following Proceedings of the Board of Revenue, dated 18th February 1875, Miscellaneous No. 1,264:—

Read the following letter from R. W. BARLOW, Esq., Collector of Chingleput, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Conjeveram, 18th January 1875, No. 9.

In forwarding copy of a letter from the Acting Sub-Collector, dated 31st ultimo, No. 717, I have the honor to request that, under the circumstances therein specified, Vurda Charri, 1st-class Revenue Inspector of the Madurantakum Taluq, may be exempted from passing the Special Tests, in view to his being appointed to act as Taluq Sheristadar of Madurantakum.

2. Vurda Charri, it will be seen, is reported to have done good and efficient service, and to have been of considerable assistance to the Deputy-Collector Venkatesiah also in his special work. His service amounts to 24 years, of which he was a Taluq Gumastah for 16 years and Revenue Inspector for the rest of the period.

THE Board resolve to submit this application for the favorable consideration of Government.

2. The Revenue Inspector is most highly spoken of, and has had 24 years' experience in posts specially qualifying him for the practical discharge of the duties of Taluq Sheristadar.

Collector

I have the honor to submit for favorable consideration an Wazfi from the Tahsildar of Madurantakum recommending the appointment of Vinda Chavri 1st Class Revenue Inspector of that Taluk as Acting Taluk Sheristadar in the room of P. Ramesawamy Aiyer who is officiating as Deputy Tahsildar of Mannar.

3. I have the honor to recommend his being so exempted, 1st because he is a thoroughly competent officer, 2^d because it is impossible to secure for a precarious acting vacancy, the services of an efficient man

and

and 3rd because Vurda Charri's good work and good conduct entitle him to exceptional consideration.

4. He has worked under my eye in the Taluks of Chingleput and Madurantakam for the past six years. In both he has displayed extraordinary energy and his ability in the collection of Revenue has been most marked and was for sometime unique. I am glad to say that others are now distinguishing themselves in the same field, but Vurda Charri now the less deserves the special recognition of his services now sought owing to the fact that it may with truth be said that it was he who first proved that there was really nothing in the circumstances of the Chingleput District to prevent the collection of Revenue being as good in it as anywhere else in the Presidency.

5. It is not perhaps necessary to remind you that the collections in Madurantakam Taluk for last Fuli were out of sight better than those of any other Taluks in the District. At the present moment also, out of a Demand for

3
for the current Fuli of November and December aggregating Rupees 53616— the whole has been collected. I am informed by the Tahsildar that Vurda Charri has contributed his full share to this satisfactory result.

6. This officer has also in more than one instance been employed with success in cases surrounded as well with difficulty as temptation. He earned my thanks and approval in the elucidation of the complicated frauds in the Chingleput Taluk reported by me to the Board of Revenue in 1869 and 1870. He likewise proved of great assistance in ferreting out the heavy defalcation in Valuvattur Village of the same Taluk for his conduct in which the then Tahsildar was suspended and removed.

7. As remarked above his zeal and good conduct since his removal to Madurantakam have remained unabated. He is a man of the old school. It is under any circumstances a matter of no small difficulty for such persons to get up Acts and Regulations in such a manner as to satisfy examiners and the task is

rendered

rendered hopeless to men like Varda Chari
for their very industry and laboriousness in
the discharge of the heavy duties devolving on
them in this District, leave no margin of
leisure for preparation for Special Tests.

8. If this recommendation be accepted,
as I trust it may, the effect on the little
thanked but overworked Revenue Inspector-
ate of the District will be most salutary
and a very great encouragement given to the
improvement in collections which beginning
in Choudrantakur has now been for some-
time visible also in Conjeveram where like-
wise the first two Kists have already been got
in, in full.

9. You will find from the enclosures to the
Tahsildar's Voz that Varda Chari has earned
the marked approbation of Venkateswagar, the
Special Deputy Collector on Railway duties, to
whom he seems to have been of considerable
assistance.
