*Proceedings of the Madras Government, Revenue Department,
26th February 1875.*

No. 341. Read the following Proceedings of the Board of Revenue, dated 8th February 1875, Miscellaneous No. 917 :—

Read the following letter from W. R. ROBERTSON, Esq., M.R.A.C., Superintendent, Government Farms, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Sydapet, 7th December 1874, No. 664.

I HAVE the honor to submit, for the information of the Board, copy of a letter received from Mrs. Morgan of Ootacamund. I have no knowledge of the matter to which she refers; it will be seen in my report on the Nilgiris that I do not recommend the establishment of a Sheep Farm there at present.

2. It would, I think, be a pity that Mrs. Morgan's valuable flock of sheep should be dispersed. If Government have any intention of doing anything to promote the agriculture of the Nilgiri District, it would, I think, be well to purchase the flock. The offer, judging from what I saw of the sheep two years ago, seems a fair one; but, of course, it will be necessary that the sheep should be inspected and valued by a competent person before entering upon any negotiations for their purchase.

THE Board have no information as to any scheme such as alluded to in the newspaper extract sent by Mrs. Morgan, and resolve to submit this letter for the orders of Government. The Board, as at present advised, would not recommend any such experiment.
