*Proceedings of the Madras Government, Revenue Department,
2nd March 1875.*

No. 7. Read the following Proceedings of the Board of Revenue, dated 8th February 1875, Miscellaneous No. 845:—

Read the following letter from A. McC. WEBSTER, Esq., Acting Collector of South Canara, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 29th January 1875, No. 196.

In settling the boundary between this district and Coorg, a dispute has arisen between our land-holders and those in Coorg regarding a tract of country in the Panathur village of the Cassergode Taluq. From the map prepared in the Chief Engineer's Office, Surveyor-General's Department, on 9th July 1842, which was laid down from actual surveys in 1806, it seems that the tract in dispute belongs to this district.

2. My Head Assistant, Mr. Gibson, who has been deputed by me to meet the Superintendent, Coorg Revenue Survey, wishes to refer to the field books or actual surveys from which the map was prepared; and I have, therefore, the honor to request that the Board will kindly take steps to procure them for me.

3. The tract of country, the surveys of which are required, is shown in the accompanying copy from the Trigonometrical Survey Map (which has apparently been reduced from the original large map).

SUBMITTED to Government, with request that the field books for which the Collector asks may, if possible, be obtained.

(A true Copy and Extract.)
