*Proceedings of the Madras Government, Revenue Department,
3rd March 1875.*

No. 25. Read the following Proceedings of the Board of Revenue, dated 16th February 1875, Miscellaneous No. 1,221 :—

Read letter from the Collector of Godavery District, dated 21st January 1875, No. 21.

ABSTRACT.—Reporting, with reference to Board's Proceedings, dated 16th November 1874, Miscellaneous No. 7,956, that no better qualified candidate than P. Sayenna is to be had for the Salt Superintendent's place at Mogultur, and reporting the death of Salt Superintendent at Penuguduru, and proposing to appoint N. Surianarayana Row to that post.

SUBMITTED to Government with the request that, as no one qualified for the post of Salt Superintendent of Mogultur is available, the exemption from passing the Salt Test, which was negatived in G. O., 30th October 1874, No. 207, may now be sanctioned, and the present Acting Superintendent, Sayenna Pantulu, retained in the post.

2. The Board also request that the Government will confirm the Collector's nomination of P. Surianarayana Row, as Salt Superintendent of Penuguduru, as his service in the Salt Department falls short of the period requisite for qualification by four months only.

Adverting to Board's Proceedings
dated 16th November 1874, Miscellaneous
N^o 7956, I have the honor to state
that I have had a notice published
in the Fort St George Gazette calling
upon persons, who are duly qualified
for the post of Salt Superintendent
at Nagulturn.

2. I have also addressed the
Collector

Collectors of Tristna and Vizagapatam Districts on the subject.

3. The Collector of Tristna states that there are none in his District who have the necessary qualifications and are willing to take up the post.

4. The Collector of Vizagapatam informs me that there is one who has not passed precise writing Test but is otherwise qualified.

5. I have received up to date but one application with reference to the notice in the Fort St. George Gazette.

The applicant is P. V. Marka Sagayya, Clerk in the Quarter Master General's Office, Madras. It seems that he had been from 1850 to 1860 with certain intervals as Writer & Nivisinda in the Salt Department of the Madras

341/3
Madras District and has been for the last 15 years in the Quarter Master General's Office at Madras.

The man says the Office of Nivisinda was the same as that of Assistant Superintendent of Salt in which 3 years service is now required to entitle him to a Salt Superintendent's place. I do not know if this is the case: but even supposing that it is, I can hardly recommend him for the post, as he has been in an altogether foreign Department for the last 15 years, and has in all probability lost the knowledge of salt rules which he might have had acquired.

b. The present Superintendent at Mogaltur has had several years service as Assistant Salt Superintendent

Superintendent and has passed
the Precis writing Test so that
it seems to me he is better qualified
than the man in the Vizagapatam
District.

7. I regret to bring to the notice
of the Board that while such is the
difficulty experienced in regard
to a person for the Superintendent's
post at Mogulter, the Deputy Col-
lector, Salt Department reports
the death of the Superintendent of
Penuguduru, the other salt station
in this District.

8. The Deputy Collector recommends
Nimushakavy Surianarayana Rao
Local Fund Clerk in my office
for the post. Surianarayana-
rao has passed the necessary tests

but
Revenue Test
Higher
Precis Writing Test
Translation Lower

but his services in the Department
as Assistant Superintendent fall
short of the requisite period of
3 years by four months and three days.

9. He holds a certificate given him
by Mr. B. L. Leggett, the Deputy Collec-
tor in charge of the Department
while in the Salt Department. It
runs thus; A very honest and
sensible young man, trustworthy,
hardworking, and intelligent, has
always conducted his duties to
my entire satisfaction. There is
none in the neighbouring Districts
as stated above, and though there are
several candidates in this District
that have passed the tests and
are qualified for the post, there
is none who has completed the 3
years service required. Surianarayana Rao

is young, intelligent, and active,
and I have no doubt has sufficient
experience and ability to manage
the affairs of the Salt Department efficiently.

He is willing to accept the post as
the salary is Rupees 100 (Mogaltur is
only 60 Rupees which he would not
take as his pay in my Office is nearly
the same (Rupees 50) with better
chance of early promotion) I would

therefore strongly recommend Suria-
narayana Rao for the post at Penn-
gudurn, and request the Board's
instructions regarding P. Sarguna
the Superintendent at Mogaltur.

10. I have directed Surianarayana
Rao to proceed to Pennugudurn in anti-
cipation of the sanction of the Board,
as the manufacturing season has
set in and his services are consequently

much needed. If, however, the Board
do not sanction his appointment,
I request they will pass his salary
till some one is appointed and I
shall await the Board's orders as
to what I am to do. An Extract from
the Service Register of Surianarayana
Rao is enclosed.
