No. 32. Read the following letter from Captain C. WALKER, Officiating Inspector of Forests, to C. G. MASTER, Esq., Acting Secretary to Government, Revenue Department, dated Triputty, 21st February 1875, No. 654 :—

I HAVE the honor to report that the Accountant-General has objected to the payment of batta, at the rate of 4 Annas per mile, hitherto drawn by the Head Clerk in my Office when travelling on duty.

2. Batta has been regularly drawn at the above rate without objection for the past ten years, including several occasions since I assumed charge of the Inspector's Office; but I regret to state that I am unable to find any Government order sanctioning the special rate which the Forest Assistant, formerly in charge of the Central Office, informs me was drawn and passed on Dr. Cleghorn's authority.

3. Under the circumstances, I beg to request that the Accountant-General may be authorised to pass the bill now held under objection, and that subsequent to that date travelling allowance may be allowed to the Head Clerk and Registrar of my Office at the rates prescribed for Revenue officials on similar rates of pay when travelling on the Government service.

4. The question of any special rates which may be deemed necessary will be submitted with the proposals for the general revision of Subordinate Establishments.
