Proceedings of the Board of Revenue
dated 18th February 1875

No. 631

From,

J. H. Gardiner Esquire
Collector of South Arcot

To,

J. Lyne Esquire
Secretary to the Board of Revenue
Madras

Sir,

I have the honor to submit
the following case for the orders of
the Board.

2. One Goolam Mohideen saib
of Porto Novo was drawing a Yeomiah
allowance of Rupees 275-5-0. In
Gazli 1276, land yielding a revenue
of Rupees 302-13-6 was recommended
to be assigned to him in commutation

of the above money allowance, in the village of Sammandan in the Chedambaram Talook, but before the assignment was sanctioned a general reduction of assessments on all Porumboke and Kivit lands took place and subsequently the commutation was sanctioned as recommended: The reduction of assessments however meanwhile reduced the value of the commutation to Rupees 287-3-11. The Yoniabdar thus lost Rupees 15-9-7 per annum by the reduction.

3. Mr. Reade represented the case to the Board and in their Proceedings dated 24th January 1868 No. 580 sanction was given to pay the deficiency in Cash for Kashi 1276 only, Mr. Reade having proposed

27
to assign lands to make good the deficiency. In Kashi 1277 (March 1868) however Mr. Reade only assigned the assessment of certain land to the Yoniabdar to an amount equal to the road cess payable by him. This amounted to Rupees 2-10-4 leaving the Yoniabdar still a loser to the extent of 12-15-3 per annum, and he now claims the payment of this sum for Kashi 1277 to 1283 inclusive amounting in all to Rupees 90-10-9 and requests that from the current Kashi an assignment of land revenue equal to Rupees 12-15-3 may be made to him.

4. The Sub Collector recommends that the arrears be paid

paid and an assignment of land assessed
at Rupees 12-15-0 be made to the Yponiah-
dar. I consider he is entitled to the
arrears but bearing in mind the views
of Government as set forth in G.O.
No. 829 dated 11th August 1873 Revenue
Department. I recommend that an
annual cash payment be made to
him of Rupees 12-15-3 instead of an
assignment of land revenue.

5. I enclose a copy of the Sub
Collector's letter.

No. 705 Enclosure.

From, A. L. Lister Esqre
Mr. Sub Collector of South Arcot
To, J. H. Garstin Esquire
Collector of South Arcot
Sir,

I have the honor to forward
for orders an application from
Gulam Mohidin, a Yponiahdar in the
village

village of Summandan in the Chel-
lambram Talook for the payment of
Rupees 90-10-9 and for the grant of
fresh lands to make up a deficiency
in the assessment of land granted
to him.

2. Gulam Mohidin was drawing a
Yponiah allowance of Rupees 275-5-0.
In fasli 1276, Revenue amounting to
Rupees 302-13-6 was assigned to him
in commutation of this; but before
this arrangement was sanctioned,
a reduction of assessment took
place in Fasli 1275 (i.e. between the
dates of recommendation and sanc-
tion) as regards all Porumboke
and Kavut lands, which reduced
the value of the grant by Rs. 12-15-3.

3. No fresh land was subsequently
assigned to the Yponiahdar in lieu

of the deficiency, but the amount lost by him in Fisk 1276 was disbursed to him under the orders of the Board in Proceedings No 580 dated 24th January 1868.

4. Gulam Mohideen now claims payment of the amount lost by him during the Fushies 1277-1283.

5. Fresh lands have now been selected for assignment to the applicant and a statement for the same is submitted together with the Chellambaram Tahsildar's Arzi No 683 of the 24th August last.

Sub. Collector's Office } I have seen

The Collector's suggestion (para 4) in regard to an annual cash

Cash payment is opposed to recent orders on the subject. It should make a further assignment of land revenue to the extent of Rupees 12-15-0 to make up the amount already sanctioned Rupees 302-13-6.

The sanction of Government is requested for payment of Rupees 90-10-0 as compensation for loss of assessment in past Fushies.
