No. 83. Read the following Proceedings of the Board of Revenue, dated 24th February 1875, Miscellaneous No. 1,523 :—

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to H. E. STOKES, Acting Secretary to the Board of Revenue, dated Pennathore, 11th February 1875, No. 74.

When Government in G. O. of the 16th December last, No. 1,572, sanctioned the continued employment of an Additional Deputy Collector in charge of the railway work in this district up to the end of the current year, they did not specially sanction the retention of his office establishment,* the pay of which for December 1874 the Deputy Accountant-General threatens to retrench for want of a copy of the Government Order sanctioning the continuance of the establishment beyond the 30th November last. The Pay Bill of the establishment for January has in consequence been refused payment by the Treasury Deputy Collector.

2. I have the honor therefore, in forwarding a copy of the Railway Deputy Collector's letter of the 5th instant, No. 1, to request the Board will move Government to sanction the employment of the establishment, with retrospective effect, from 30th November 1874 up to the end of 1875.

Submitted for the orders of Government. It is obvious that the establishment will be required so long as the Deputy Collector is engaged in the work of railway compensation. Sanction for its retention till the end of 1875, unless the work is completed sooner, is therefore requested.

No. 84. Order thereon, 6th March 1875, No. 371.

Miscellaneous.

The Collector, in his letter to the Board, dated 27th July 1874, No. 377,* stated clearly that the services of the Special Deputy Collector will be required until March 1875, and the order of Government, dated 16th December last, No. 1,572, paragraph 6, does not authorise his employment *in South Arcot* till December 1875. Sanction is, however, granted for the continuance of the temporary establishment up to that period, subject to such orders as may be passed hereafter on the quarterly progress reports already called for. The Board will examine these reports carefully before their submission to Government, and explain why the Deputy Collector should be continued for nine months beyond the period specified by Mr. Garstin.
