No. 139. Read the following letter from C. J. LYALL, Esq., Under-Secretary to the Government of India, Department of Revenue, Agriculture, and Commerce (Forests), to the Secretary to the Government of Madras, Revenue Department, dated Calcutta, 23rd February 1875, No. 211:—

I AM directed to state that in comparing the figures entered in the Annual Statement of the actual receipts and expenditure of the Forest Department in the Madras Presidency for 1873-74, received with your letter, No. 209, of the 9th instant, with those given in the Budget-estimate of the Forest Department for 1875-76, it is observed that the entries under Charges (both A and B) agree, but that the actual receipts, which in the Budget are entered as Rs. 4,64,194, are in the Statement now received entered as Rs. 4,49,541. I am desired to request that, with the permission of His Excellency the Governor in Council, the cause of this difference may be explained.

2. I am also to point out that the utility of this Statement is lost by its submission at so late a date, and to express a hope that it will be found possible to furnish the Government of India with the Statement of actual receipts and charges for 1874-75 by the end of May next, which is the time prescribed for its submission in the Circular letter of this department, No. 15/563, dated the 29th May last.

No. 140. ORDER THEREON, 10th March 1875, No. 398.

Forests, No. 9.

THE difference of Rs. 14,653 is the revenue of the Godavery forests recently transferred to this Presidency, and this sum was apparently excluded from the Statements of the *actual* transactions of *the Presidency* in 1873-74, because the transfer did not take place till 1st April 1874. The amount was, however, included in the column for 1873-74 in the Budget for 1875-76, for otherwise the comparison will not be correct. The difference is, however, noted in Chapter I. of the Explanatory Memorandum which accompanied the Board's Proceedings, dated 19th October 1874. The Board will be requested to state if this is the case.

2. The Board's attention will be requested to paragraph 2 of the letter from the Government of India.
