*Proceedings of the Madras Government, Revenue Department,
9th January 1875.*

No. 86. Read the following Proceedings of the Board of Revenue, dated 5th December 1874, No. 3,530:—

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 22nd October 1874, No. 547:—

UNDER the circumstances stated in the accompanying copy of a letter from the Deputy Collector, Salt Department, dated 13th instant, No. 184, I have the honor to request that the sanction of Government may be obtained for exempting Kasi Iyer, a Clerk in the Merkanum Salt Superintendent's Office, from passing the General Test Examination.

2. In consideration of the out-door exposure which the salt servants have to undergo, I beg also to support Mr. Freer's recommendation that the exemption from the Examination rules, accorded by Government in August last to all servants on the establishment of the Deputy and Assistant Directors of Revenue Settlement receiving salaries of Rupees 40 and under, may be extended to Salt Clerks and Assistant Superintendents in receipt of salaries not exceeding Rupees 20.

ENCLOSURE No. 1.

From W. FREER, Esq., Deputy-Collector, Salt Department, to J. H. GARSTIN, Esq., Collector of South Arcot, dated Cuddalore, 13th October 1874, No. 184.

As Emmudeen, Head Clerk of the Salt Superintendent's Office of Merkanum, has applied for more than a month's leave on urgent private affairs without pay, and as the Second Clerk Kasi Iyer, on 15 Rupees pay, cannot without sanction be allowed to act in the Head Clerk's 20 Rupees appointment longer than a month, as he has not unfortunately passed the General Test Examination, I have the honor to submit his case for your favorable consideration, that the Board may be moved for the necessary sanction.

2. He has been employed in the Salt Department since the 3rd January 1865, and possesses a thorough knowledge of the business of the department, which he has discharged to entire satisfaction of the Salt Superintendent of Merkanum, for the period of a year he has worked under him, keeping all the most important Account books of the Office, as will be seen from the enclosed report in which I concur. He has the physique for service in the Salt Department, and has invariably discharged the work entrusted to him as well in the office as in the pans during the manufacturing season, with alacrity, intelligence, and care. He may not be able to pass the test like a boy fresh from school, and who has probably only crammed for the occasion, but there are few passed candidates who would work as hard and as efficiently as he has done—a fact which induces me to recommend his case as one suitable for exemption from the General Test, if not altogether at least so far as the Salt Department is concerned.

3. To secure for the Salt Department men who can stand out-door work in the hottest season of the year without being easily knocked up, like men who have crammed for the examinations, I would venture to solicit a favor similar to that which has been conceded lately to the Revenue Settlement Department, viz., the exemption from the General Test Examination of all appointments below those to which a Special Test has been attached.

Collector.

*Proceedings of the Madras Government, Revenue Department,
9th January 1875.*

THE Board resolve to submit the recommendation for exemption of Kasi Iyer from the General Test for the favorable consideration of Government.

2. They do not, however, see reason to support the suggestion that a general exemption similar to that recently allowed in the Settlement Department, (G. O., dated 24th July 1874, No. 930,) should be extended to the Salt Department. The cases are not at all analogous.
