No. 147. Read the following Proceedings of the Board of Revenue, dated 26th February 1875, Miscellaneous No. 1,615:—

Read the following letter from H. LEFANU, Esq., Acting Head Assistant Collector of Salem, to the Collector of Salem, dated Tripatore, 16th February 1875, No. 61.

I HAVE the honor to inform you of the occurrence of an earthquake in Tripatore on the 13th instant, at about 10 A.M. It resembled the sudden and consecutive explosions of two cannon at intervals of five seconds under foot, and was followed by a long roll and two lesser shocks at intervals of about five minutes. The direction of the motion cannot be accurately ascertained, but the first two explosions as I felt then were of tremendous force, and seemed to be acting vertically from the interior towards the surface. No damage ensued.

FORWARDED, through the Board of Revenue, for the information of Government.
