With reference to your official Memorandum dated 17th instant, I have the honor to report that the Service Registers have been received from all the Deputy Collectors in this District, but to make them complete, they have to be verified by reference to the Collectors of the several Districts, in which those officers have served, and the dates of all reports and orders, according praise for efficient performance of duty or conveying censure for neglect or inefficiency have

have to be noted by these collectors. I am
afraid, therefore, there must be some
delay in the submission of the registers,
but every endeavor will be made to
forward them as soon as possible -

I have the honor to be
