Preamble.

Whereas it is desirable to make better provision for the separate assessment to land-revenue of portions of permanently settled estates alienated by sale or otherwise, it is hereby enacted as follows:—

Application for registry and separate assessment.

1. Any alienor or alienee of a portion of any such estate may apply to the Collector for its registration in the name of its present owner, and for its separate assessment in respect of land-revenue. Any lawful representative of such alienor or alienee may make a similar application.

Collector to inquire who is the owner of property for registry, and levy assessment.

2. The Collector shall thereupon inquire as to who is the present owner of the property in respect of which the application is made, and shall cause it to be registered in his name, and shall assess upon it the sum payable in respect of it by way of land-revenue.

Proportion of land-revenue to be deducted.

3. Whereupon there shall be deducted from the land-revenue payable in respect of such estate, an amount equal to the sum assessed on the portion so separately assessed.

Sum payable on separated portion to be proportionate.

4. The sum payable in respect of such separated portion shall bear the same proportion to the sum payable in respect of the whole estate as such portion bears to the whole estate.

Assessed part not liable to arrears of revenue due by the Estate.

5. Upon such assessment being made, the portion so assessed shall no longer be liable in respect of arrears of revenue due by the estate of which it formed a part: nor shall such estate be liable in respect of the portion so assessed.

Governor in Council may readjust the assessment in case of fraud, &c., in the levy of assessment.

6. The Governor in Council may at any time, if it appears that there has been fraud or material error in the apportionment of such separate assessment, cause the same to be readjusted.

Regulation I. of 1819 repealed.
