*Proceedings of the Madras Government, Revenue Department,
15th March 1875.*

No. 173. Read the following Proceedings of the Board of Revenue, dated 2nd March 1875, No. 506:—

Read the following Proceedings of the Madras Government, dated 13th February 1875, No. 231, Revenue Department:—

ABSTRACT.—*Cotton shipments from the port of Fort Saint George.*—Communicating to the Board of Revenue despatch from the Secretary of State complaining of the non-receipt of the monthly statements of—since April 1873, and requesting them to submit the return called, and to report the reason for the omission.

THE Board have been under the impression that such of the Collectors of the Coast Districts as had cotton exports submitted their returns direct to the Secretary of State in pursuance of G. O., dated 7th March 1863, No. 482, communicated with the Board's Proceedings, dated 13th March 1863, No. 1,491. The districts from which there have been any cotton exports from April 1873 are those noted in the margin. Of these, returns have been already forwarded from the districts of Godavery, Tinnevelly, South Canara, Malabar, Madras, and Madura.

Godavery, Tinnevelly, and Malabar. Information is available for the chief port of Fort Saint George, the Collector having forwarded monthly statements to the Board, though he omitted to send them to the Secretary of State. Copies thereof will now be forwarded to the Secretary of State. The Collectors of the other districts* in which, however, the exports

* South Canara	113	8	are very small will be requested to submit
Madura	...	9	statements direct to the Secretary of
			State, and to send copies to the Board.

They and the Collector of Madras will also explain why they omitted to send their statements to the Secretary of State.

2. In future, all Collectors of Coast Districts will be requested to forward to the Secretary of State the returns of exports of cotton punctually, sending at the same time copies to the Board. If there are no exports, blank returns should be forwarded to avoid all doubt in the matter. This supersedes the Board's Proceedings, dated 20th April 1863, No. 2,251, in which it was directed that blank statements need not be forwarded.
