No. 187. Read the following Proceedings of the Board of Revenue, dated 5th February 1875, No. 262, Forest No. 16:—

Read the following:—

Proceedings of the Madras Government, dated 12th November 1874, No. 1,440, Revenue Department.

ABSTRACT.—*Jungles in North Arcot District.*—Calling for the observations of the Inspector of Forests before sanctioning the proposals connected with the transfer of — to the Forest Department; requesting the Board to ascertain and report whether the net revenue from jungles in the district *can* be retained as local after the transfer is once made; and awaiting the Board's Proceedings on the proposal to transfer the Guddiattum Jungles to the Forest Department permanently and to credit its receipts to Imperial.

Proceedings of the Madras Government, dated 2nd December 1874, No. 1,485, Revenue Department.

ABSTRACT.—*Forest Establishments in North Arcot.*—Communicating to the Board of Revenue letter from Inspector of Forests on the subject of —, and allowing the alterations proposed by the Board to remain in abeyance.

From W. S. WHITESIDE, Esq., Collector of North Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Palmanair, 11th December 1874, No. 650:—

In reply to paragraph 5 of the Proceedings of the Board, dated 22nd October last, Forest No. 203-3,066, I have the

* Dated 13th November 1874.

honor to submit copy of a letter* from

the Deputy-Conservator of Forests, from which the Board will observe that the probable cost of coolies in lieu of gardeners will be about Rupees 450 per annum, and that the utmost reduction that can be made in the establishment proposed, even if the jungles were not transferred to the Forest Department, consists in the dispensing with the services of one Duffadar and five Peons, costing Rupees 39 per mensem.

2. I beg to support the recommendation contained in paragraph 3 of Mr. Sheffield's letter as regards the debiting of the pay of the 3rd-Class Forester to the Jungle Conservancy Fund, in addition to the five Peons and Duffadar.

3. I have issued the orders requested by Mr. Sheffield in the concluding paragraph of his letter.

ENCLOSURE No. 1.

From Mr. T. SHEFFIELD, Deputy-Conservator of Forests, to W. S. WHITESIDE, Esq., Collector of North Arcot, dated Poloor, 13th November 1874, No.

In reply to paragraph 5 of the Proceedings of the Board of Revenue, dated 22nd October 1874, No. 3,066, Forest No. 203, I have the honor to report that the probable cost of coolies in

*Proceedings of the Madras Government, Revenue Department,
15th March 1875.*

lien of the gardeners will be about Rupees 450 per annum, because we can get the former for a little less than half the price we are paying for the latter.

2. It is a mistake to suppose that most of the plantations are planted up, for we have still 450 acres of old ground to plant, and all the ground lately bared by the flood to be replanted; we have also orders to look out and plant all the available land suitable for Casuarina.

3. I do not think the establishment could be reduced more than shown in the margin, even if the jungles were not transferred to the Forest

One Duffadar at Rupees 9.....	9

Department; but as the Foresters, who had only one taluq and three or four plantations each in their charge, will now have two taluqs each, I would respectfully suggest that the pay of the

3rd-Class Forester, Rupees 60 + 15, should be charged to Jungle Conservancy in addition to the five Peons and Duffadar.

4. I beg you to be pleased to direct the Tahsildars of Chendragherry, Chittoor, Palmanair and Guddiattum to hand over the charge of their forests to the Forest Department; I have written to each, but, of course, they cannot give over charge without your orders.

(True Copy.)

(Signed) W. S. WHITESIDE,
Collector.

	Annual Expenditure.
	Rs.
* Existing sanctioned establishments..	5,040
Proposed establishment	4,440
Coolies	450
Total ...	4,890
Remainder ...	150

dated 12th November 1874, No. 1,440, that noted in the margin will be borne by the Jungle Conservancy, and the Board request that the remaining establishment, the cost of which, including the probable expenditure for employing coolies in lieu of gardeners dispensed with, is less* than that of the sanctioned establishment, may be sanctioned temporarily pending the general revision of the establishments. The Board do not think it advisable to retain the forest establishment of the district as it is, till the general revision,

because the change proposed is calculated to make the supervision efficient, whilst the cost is reduced. There can be no difficulty in remodelling it again at the general revision.

2. The Board are not disposed to make the salary of the 3rd-Class Forester debitable to "Jungle Conservancy," as the Collector states that his services cannot be dispensed with, even if the jungles are not transferred to the management of the Forest Officers.

3. There is no objection to the revenue of jungles transferred to the management of the Forest Officers being credited to local, so long as all special charges connected with the management are debited to local, and the cost of the Imperial establishments is not increased by the transfer.

*Proceedings of the Madras Government, Revenue Department,
15th March 1875.*

4. The question of the transfer of the Guddiattum Jungles permanently to Forest will be considered hereafter, and a separate report submitted.

Acting Secretary.

No. 188. ORDER THEREON, 15th March 1875, No. 423.

Forests, No. 11.

THE proposed establishment (including coolies) is sanctioned, but the Board should settle the details in communication with the Inspector of Forests.

2. So long as no portion of the charges falls on Imperial Funds, the revenue of these jungles may be retained as local, and this principle should be borne in mind in the disposal of the question as to the pay of the 3rd-Class Forester.

(True Extract.)
