St. C. Stokes Esquire

By Secy. to the

Board of Revenue,

I have the honor to state that a portion of Government assessed fields No. 28 of Attali in the Sambar Taluk has been long used as a ^{burning} temporary ground. The Settlement Department have wrongly classed it as Government land and assessed it as such. I request

Sanction

sanction that the field in question be
subdivided as per margin and that the
portion marked B be transferred to the
head of Porumboke.

In the same village, a
pathway which connects two other paths
was wrongly surveyed by the Settle-
ment Department as Government land
and included in field No. 4038. The field
in question will be subdivided into 4038,
Porumboke pathway measuring 160-
17 and 4039 Government opened land
measuring 160-60. I request
that the Board will sanction the
transfer of the A-5 to Porumboke.
