Sir,

I have the honor to enquire if there are any more copies of the "Reports on Forest management in Germany &c." in the Government Office, and to request that, if so, they may be sent to me for distribution to Forest Officers, and if not that a further supply may be obtained from the India Office where I believe they are available.

2.

The copies originally sent out by Government have been retained by the Collectors

collectors of Districts, and
in most cases Forest-
officers have not even seen
them, in none have they
a copy to refer to.

I have the honor to be,
