3. Under "Original Works," Civil Buildings, Provincial several New Works for which funds are required, have been left unprovided for, owing to there being no money available, and for the same reason the additional grants required for "Repairs" under Military and Civil Buildings, Provincial, have not been made; but should further savings be reported hereafter, provision will be made for such works.

4. The Superintending Engineer at Bangalore applies for a sum of Rs. 9,000 for traverses around the Peak at the Mount, presuming that there is no allotment for the work, but Rs. 9,000 having been appropriated for the work from the Reserve of 1874-75 in G. O. No. 599 of 7th March 1874, the excess allotment of Rs. 600 has now been withdrawn and transferred to another work.

5. Similarly the District Engineer of Tirunelveli applies for Rupees 2,000 for the Post Office at Virudhunatty, Rupees 1,500 having been allotted for the work in G. O., No. 2721-A of 28th September 1825; the difference between that sum and the amount applied for by the District Engineer, viz., Rupees 500, has been withdrawn now.

5. Several incomplete works of previous years, for the completion of each of which Rupees 500 and below are required for the current year, have been included in the district estimates, but as no specific allotments are necessary for such works, they have been omitted.

7. The additional grants applied for by the District Engineer of Mysore for the following works cannot be provided until the submission of revised estimates:—

1. Taluk Catcherry at Kandiherry.
2. Do. do. at Alimulung.
3. Sub-Collector's Office at Chapai.
4. Converting the old Taluk Catcherry at Oagile into District Munsif's Court.
5. Police Station House at Patong.
6. Do. do. at Tansutun.

8. In Statement No. II, dated 27th January 1973, the District Engineer, North Arcot, surrenders a sum of Rupees 1,700 under "Repairs, Civil Building, Provincial," and at the same time applies for Rupees 3,300 for repairing iron railings of the Central Jail at Vellore. The District Engineer is of the view is appropriate to this work any repair funds under "Provincial" that may be at his disposal without reference to Government. The sum of Rupees 1,000 added to the Rupees 2,225 allotted in G. O. No. 245, dated 27th January 1973, will fully meet his requirements.

9. It being understood that out of the sum of Rupees 25,000 sanctioned by G. O. No. 2307 dated 15th August 1972, the Government of India, for purchase of a stock of timber, Rupees 24,000 will remain mobilised, and its money is urgently required for the completion of several Major Works now in progress, His Excellency the Governor-in-Council sanctions the following appropriation from that sum subject to the approval of the Government of India:—
