No. 112. Read the following Proceedings of the Board of Revenue, dated 12th December 1874, No. 3,598 :—

Read the following letter from KOTI SUBBA ROW, Deputy Collector, to G. D. LEMAN, Esq., Collector of the Kistna District, dated Vinukonda, 2nd November 1874, No. 283 :—

I HAVE the honor to state that, in Government Proceedings, No. 1,913, dated 13th November 1871, 37 cents of an unsurveyed block D. No. 279 of Acres 743-29 were sanctioned to one Virabhadra Antireddi of Konanki, in the Palnad Taluq, for the formation of a charitable tank in his village. He at first applied for 2 acres of land, but I proposed to grant him as much as the tank might occupy. The Board having, in their Official Memorandum, No. 787, dated 5th June 1871, wanted to know the extent and assessment of the land required for the tank, I reported that 37 cents, assessable at Annas 11-8, were required, ascertaining the same from the Tahsildar; and the Government accordingly sanctioned 37 cents only. Antireddi, however, formed a tank in 2 acres and 37 cents of the same number as subsequently found by measurement, and he applies for this extent. The Tahsildar supports the application, and I see no objection to its being granted, the tank having been already formed in all the land applied for.

2. Under these circumstances, I beg you will be good enough to obtain the required sanction on the subject. The extent of Acres 2-37 is assessable at Rupee[illegible]11-8.
