*Proceedings of the Madras Government, Revenue Department,
18th March 1875.*

Read the following Telegrams:—

From Collector of the Kistna District, Masulipatam, to Secretary to Government, Revenue Department, Madras, dated 18th March 1875.

No rain. Standing crops good; some later dry crops suffering from grub. Prices stationary. Mild fever and small-pox continue. Cattle generally unhealthy. Dry fodder sufficient. Markets well supplied locally.

From Treasury Deputy Collector, Kurnool, to Secretary to Government, Revenue Department, Madras, dated 17th March 1875.

No rain. Standing crops good. Markets well supplied. Prices of paddy and horsegram falling; the rest generally stationary. Water and pasture abundant. Fever prevalent. Cattle-disease in some taluqs. No water over Sunkesula anicut.

From Treasury Deputy Collector, Tanjore, to Secretary to Government, Revenue Department, Madras, dated 18th March 1875.

No rain at Negapatam and elsewhere. Rivers almost dry. Water in tanks very little. Water over anicuts none. No wet cultivation; that of a few dry crops in some parts. Standing crops generally good. Rain wanted in some places. Harvest wet and some dry crops; yield satisfactory. Pasture sufficient. Prices stationary. Markets well supplied. Public health generally good. Small-pox in several localities. Cattle-disease in four taluqs.

From Collector of Trichinopoly, to Secretary to Government, Revenue Department, Madras, dated 17th March 1875.

No rain. No change of importance since last week, except that some late crops in one taluq are stated to be withering from want of rain. A disease resembling dengue reported from one village.

From Collector of Malabar, Calicut, to Secretary to Government, Revenue Department, Madras, dated 18th March 1875.

RAIN-FALL none. Weather cloudy. Supply of grain sufficient from local and foreign sources. Small-pox prevalent. Fever slight. Cattle-disease slight in Walluvanad. Pasture withered. Prices increasing.
