Official Memorandum

The Board have it in contemplation to request Government to allow them to reconsider their Proceedings dated 2d July 1872 No. 1164 passed on Mr. Robertson's letter dated 28th May 1872 No. 414 printed with Government Order 7th April 1873 No. 397 and to propose that the Lydapet Farm be put on an efficient Educational footing. They would wish to see the institution so organized that good scientific and practical agricultural education may be offered to all approved students who

who may offer themselves.

In furtherance of this view they request Mr. Robertson to furnish them with his views on the whole matter and to state what part he would be able to undertake in any plan of education he would suggest and what aid must be sought outside the Farm Establishment

The Board have reason to hope that conveniently situated buildings may be available near the Farm and that the aid of Gentlemen competent to teach Elementary Chemistry, Botany and animal Pathology may be secured in the Presidency.
