*Proceedings of the Madras Government, Revenue Department,
12th January 1875.*

No. 118. Read the following letter from R. W. LODWICK, Esq., Accountant-General, Madras, to the Secretary to Government, Revenue Department, dated Fort St. George, 6th January 1875, No. 525 :—

WITH reference to G. O., No. 1,603, dated 21st December 1874, I have the honor to state that, as Mr. Peet was actually doing duty at Ootacamund, the station to which he was first posted (as per his Covenant) would seem to be Ootacamund. The transfers of the Deputy-Conservator being usually made by the Inspector of Forests, a Notification in the Gazette seems to be unnecessary.

Enclosures returned.

No. 119. ORDER THEREON, 12th January 1875, No. 55.

THE Board of Revenue will communicate the Accountant-General's letter to Mr. Peet in the usual course.

of the Board of Revenue dated
December 1874, Forest
Division No 8597 to
the Dy. Secretary of Forest
Division Deptt.

~~Rev 4378/74~~

Copy of list showing
the establishment of the
Forest Deptt in Malabar
as introduced on the 3rd
October 1874.

~~Rev 4375/75~~

N 155.

Mananthoddy
12 November 1874.

From

S.

The Deputy Conservator of Forests
Wynad
The Collector of Malabar.

Sir,

I have the honor to forward a list
of the Wynad Forest Establishment, and
with reference to the length of my service
I have to ask information on the following
points:-

(i) In the Covenant which I signed in
England in 1871, I was ordered
to proceed to Bombay where I arrived on the
11 December 1871, and reported myself on the
that day.

(ii) I was afterwards transferred to Madras
where I reported myself on January 2nd 1872,
and was sent to Cochin where I re-
ported myself on 6th January 1872.

(iii) I was ordered down to Wynad, and
took over charge on the 8th March 1872.

(iv) In para 9 of the above mentioned
Covenant it is stated that "It is further

agreed

ed that the party hereto of the first part
on joining the station to which he
first be posted in India, become
entitled to all the rights and privileges in
respect of pay and promotion accorded to
Officers of the Forest Department by the
Rules and Regulations for the time being,
his leave of absence and retiring pension
entitlement under the leave and pension rules
of the Unencumbered service for the time
being, and that the time of his service
be computed from the day of his
joining the said station.

I have to request information
as to whether the station to which I was
first posted is to be considered Bombay
Mynad.

I have to remark that, to the
best of my knowledge I have never yet been
posted to Mynad, and have therefore to
trust that I may be gazetted with
retrospective effect from 1st March 1872.

I have entered in the list of the
Establishment

Establishment, under the heading "Local
Service" two dates the upper one calculated
from the date of my arrival in Bombay
(Years 2-10-21) and the lower one (years 2-7-24)
from the date of my arrival in Mysore.

I have to request that you will
expunge one or other according to your measures
to this letter, and inform me on the subject.

Sir,

With reference to G. O. No. 1603

Conservator being usually made by
the Inspector of Forests, a notifi-
cation in the Gazette seems to be
unnecessary.
